

Seed Art Part 3: Seed Mosaic

Materials:

- Paper or cardboard
- Paint (tempura or acrylic)
- Seeds from fruit or old seed packets

Instructions:

1. Collect seeds from your kitchen from the food you eat or use old garden seed packets that have expired
2. Can't find these seeds? Use any other things from nature like flowers, leaves, or sticks!
3. Make a plan! Decide what your mosaic will be. Will it be a picture of something or a design? The goal is to fill up your whole paper with your seeds!
4. Once you have your plan, start sticking your seeds down! If you are using glue, I like to put mine in a small bowl and use a paintbrush so it isn't as messy!
5. Take a picture of your creation and post it on Facebook or Instagram and use the hashtag #CECConnects
