

Seed Art Part 1: Painting

Materials:

- Paper or cardboard
- Paint (tempura or acrylic)
- Tree seeds

Instructions:

1. Go on a walk or look outside your house for tree seeds. When choosing ask yourself...Will this make a cool design? What texture or feel does it have? Can I use it as a stamp?
2. Can't find tree seeds? Use other plant material like sticks or leaves to make your painting!
3. Squirt some paint onto a plate or palette
4. Dip tree seeds in the paint, and start painting! There is no right or wrong way to do it, just have fun and be creative!
5. Want another art project? Use the rest of your paint to paint directly onto your seeds!
6. Take a picture of your creation and post it on Facebook or Instagram and use the hashtag #CECConnects
