

## Seed Art Part 2: Seed Designs

### Materials:

- Paper or cardboard
- Something sticky (glue or double sided tape)
- Tree seeds

### Instructions:

1. Go on a walk or look outside your house for tree seeds.
2. Can't find tree seeds? Use other plant material like sticks or leaves to make your painting!
3. Decide what you want your design to be. It can be anything!
4. Lay your design out before you glue.
5. Once you have your design layed out, start gluing it down! If using glue, I like to put my glue in a small bowl and use a paintbrush, it is a lot less messy!
6. Let the glue dry before you move your creating.
7. Take a picture of your creation and post it on Facebook or Instagram and use the hashtag #CECConnects
